

BSL GAS TECHNOLOGIES LTD - MODERN SLAVERY ACT

Statement

BSL Gas Technologies Limited is not required by law to comply with the [Modern Slavery Act 2015](#), but it strongly supports and embraces the principles laid out in the Act. The company is committed to opposing modern slavery in all forms and expects the same from all other organisations it does business with.

The company acknowledges that slavery and human trafficking can occur in various forms, including forced labour, child labour, domestic servitude, sex trafficking and workplace abuse. To ensure that everyone in its business and its business partners is aware of its behavioural standards, the company will clearly communicate them. The company will avoid doing business with those who do not accept its values or who may violate its policy.
